

Preserving and Sheltering Assets for College and Retirement

Thank you for allowing fafsaRx.com and the Retirement Dream Foundation the opportunity to be of service. This FAFSA Check-Up could save provide you with \$250,000 more at your retirement than you would otherwise have. Details below.

Based upon the online information you submitted, your financial aid eligibility has the potential to be increased by up to **\$21,560 annually**. This may qualify you for more financial aid and more importantly, potentially more Gift-Aid (money that need not be repaid).

Over four years of college, this could reduce your family's cost of college by up to \$86,240.

If you would fafsaRx.com to analyze specifically what up to three colleges in which your student has interest, or the college she/he now attends, may cost with proper FAFSA planning or an amended filing, please complete and return the Confidential Financial Aid Questionnaire. The Questionnaire is available for download at www.fafsarx.com/FREE-FAFSA-Check-Up.html.

The more Detailed FREE Analysis that a returned Questionnaire will generate also includes a listing of your college loan options and ways that may make financing a college education less expensive as well as Four-Year Graduation Rates at your student's selected college(s).

The Detailed FREE Analysis does require full contact information since it is a more complex report that may require additional communication to get accurate. Neither fafsaRx.com nor the Retirement Dream Foundation rents or sells contact information and all responses are held in the strictest of confidence.

We look forward to helping you save thousands on the cost of educating your children.

Saving thousands on college increases funds available for retirement. More specifically, if we are able to help you save **\$86,240** over the next four years and you invest that savings in a principal-protected instrument that earns just 5% annually, the Asset Protection Strategy could provide you with **\$279,303 more at retirement**, 20 years after your child's graduation.
